Subject: Re: BEEQB/Blockquarry Discussion

Dear Taylor,

It took a while, but here's the spreadsheet with the number of miners, corresponding invoices, and customs information for both facilities that we operated in the U.S. The number of machines may be the ultimate inventory since some of the machines broke down or were sent for repairs. Also, here's the link to the folder with a bit more detailed invoices and even photos of the unpacking of equipment, courtesy of our client. I believe this shall help with any doubts as to whether BEEQB actually owns the equipment.

As for the time for an all-hands call, our client is available on Wednesday 12-3 pm EST; please let me know what works for you and your client.

Best Regards,

Filipp
